

Polyurethane Soft Tube

- It's more flexible than standard polyurethane tube, suitable for cold working place and flexibility required.

[How to order]

1 Model Name / Tube Description

- JST : Polyurethane Tube

3 Flexible soft PU tube

2 Tube Color

- TBU : Transparent Blue

- TR : Transparent Red

[Specifications]

Item No	JST0425-SOFT	JST0640-SOFT	JST0850-SOFT	JST1065-SOFT
Outer Diameter(mm)	4	6	8	10
Inner Diameter(mm)	2.5	4	5	6.5
Minimum bending radius(mm)	9	13	13	18
Fluid	Air			
Maximum operating pressure	6 bar(0.6MPa) at 20 °C			
Operating temperature	-20~+60 °C			
Length per roll(meter)	100			
Color	Transparent-blue(TBU), Transparent-red(TR)			

[Burst pressure graph]
